

SUNLOC-EZ Standing Seam steel panels are ideal for residential and commercial roofs.

SUNLOC-EZ

As a hidden fastener metal roofing system, the clean look of the SUNLOC-EZ panels provide a contemporary appearance while providing protection from any weather.

Standing Seam panels are created with the best make up for structural strength. Using 24 Gauge steel, SUNLOC-EZ panels provide extreme weather tightness while maintaining an appealing appearance, making them a perfect choice for both residential and commercial projects.
